

2009 14-Under Age Group Championships

Timing Assignments – Updated 19Jul09

Teams are assigned timing assignments in this New England Swimming Championship based on the percentage of each team's entries in the meet/session. All teams must fulfill their responsibilities. Timers are expected to remain with their lane throughout the session. Teams are expected to organize the timing assignments within their assigned lane or lanes.

A mandatory timers meeting will be held 30 minutes before the beginning of each session. If your team has multiple people covering the assignment, we request all timers attend the meeting, leave the deck after the meeting and then report back to the deck when their shift arrives.
